

About LAHAB DEFENCE SYSTEMS

LAHAB DEFENCE SYSTEMS is the UAE's only medium and large munitions manufacturer, putting over 25 years of expertise and experience to work for leading defence and security organisations across the MENA region and beyond.

Operating at the heart of the defence and security supply network, the company designs, develops, manufactures, and tests a range of state-of-the-art medium and large calibre munitions – from grenades to artillery shells and aerial munitions – working to the highest safety and environmental standards. LAHAB DEFENCE SYSTEMS plays a vital role in innovating and developing the capabilities of the armed forces and the wider defence sector.

LAHAB DEFENCE SYSTEMS has one of the region's most diverse and efficient manufacturing and assembly capabilities. Meeting stringent international standards, the company responds flexibly to special requests for mission-specific customisation.
