

Haitham T.S. Awinat

Director of Operations & Programs, REMAYA

Haitham T.S. Awinat is the Director of Operations & Programs at REMAYA.

Haitham is a seasoned defence expert and consultant, with extensive experience and highly recognised performance records working within diverse groups and environments to drive company's growth, strategise and deliver cutting-edge solutions that fortify security structures.

As Director of Operations & Programs, he is responsible for overseeing the governance of operations, development and implementation of programs within the spheres of master planning, defence facilities, shooting ranges, target systems and construction, while optimising costs, generating savings, and maximising avenues for commercial return.

Prior to joining REMAYA in 2016, Haitham served as Planning Department Manager at Tawazun Industrial Park where he engaged in the overall company start up, master planning and projects delivery. In addition to this, he was previously a Principal Consultant at Boartes Capability Development Consultants, with heavy involvement on several critical national defence and security projects. He has also served as Project Manager for Siemens Doha, where he worked on developing and delivering security programs for the 2006 Asian Games in Qatar.

Haitham is a certified Project Management Professional (PMP) and physical security systems designer and programmer. He holds a bachelor's degree in Engineering (electronics and communications) from Princess Sumaya University of Technology, Jordan.
