

Rodrigo Torres

President and Group CFO, EDGE Group

Rodrigo Torres serves as President & Group Chief Financial Officer (GCFO) at EDGE, an advanced technology group for defence and beyond. Alongside this position, he is also a Board Member at ADSB, ANAVIA, HIGH LANDER, MILREM, and SDF.

Torres is an experienced CFO with a demonstrated 20+ years of global experience, having worked in various finance functions across 8 countries, leading complex business planning, best-in-class operational improvements, and M&A.

Prior to joining EDGE, Rodrigo Torres was VP & Group CFO Operations – Global Manufacturing, Supply Chain & Quality at Renault Group, in Paris, France. In this role, he led Finance for all 40 manufacturing sites, supply chain and quality worldwide. Torres earlier served as VP of Finance - Chief Transformation Officer (CTO) for Finance & Control at Renault Group, leading and enabling both digital and organisational transformation for the Finance function worldwide.

Before Renault Group, Rodrigo Torres spent 20 years with General Electric (GE), starting his career with GE Aviation (Financial Planning & Analysis), subsequently with GE Oil & Gas (Chief Financial Officer – Long Term Services Agreements & O&M/Supply Chain & Projects Finance), with GE as LATAM Controller & Share Services; with GE Renewable Energy (Global Investor Relationship & Financial Planning and Analysis Leader), and later as CFO at LM Wind Power. His roles at GE spanned across Brazil, Singapore, USA, UK, Italy, Mexico, France, and the Netherlands.

Rodrigo Torres holds a major in both Mechanical and Industrial Engineering from Pontificia Universidade Catolica do Rio de Janeiro, and a Master of Business Administration (MBA) from Instituto Brasileiro de Mercado de Capitais. Torres has also undertaken numerous Management Courses and Executive Education in topics including Corporate Finance, Artificial Intelligence and Data Science, Strategic Financial Analysis. He is also certified as a Lean Six Sigma Black Belt.
